

Living Gifts 784-4903

Living Gifts offers live plants as an alternative to cut flowers. Why give something that must be thrown away after several day's. With **Living Gifts**, your investment is long term and **your gift is green...Literally!**

Yvonne McQuitty 'The Plant Lady' a Kentucky Certified Nurseryman has been fulfilling her love of plants and her joy to design into a product that has satisfied her clients needs to give something long lasting, since 1994. Using beautiful, unique indoor plants, seasonal plants, fragrant gardenia's, jasmine and herbs, she makes arrangements that will last and last and last.

Living Gifts now specializes in Topiary Ivies, Tropical Bromeliad's, Fancy Ferns and extraordinary small, medium and large indoor plants that will look great in anyone's office or home.

For your convenience, just call The Plant Lady to work up an arrangement to say Thank You for a new account, Congratulations on a job well done, Welcome to Bowling Green to a new business or new home owner, and don't forget all those special people in your life; Administrative Assistants Day, Mothers Day, Nurse's Day, Teachers Day, Valentines Day, Bosses Day.

Wow, there's a lot or days to remember but **The Plant Lady @ Living Gifts** can take care of all your plant needs. With Delivery Everyday! Decorate your home, office or give as a gift. **Live Green, Give Green...Living Gifts.**
