Resolution

Bowling Green Area Chamber of Commerce

Retention of U.S. Postal Service Processing & Distribution Center

Whereas, the U.S. Postal Service is considering moving the Bowling Green, Kentucky Mail Processing and Distribution Center to Nashville, Tennessee.

Whereas, a priority of the Bowling Green Area Chamber of Commerce is affording employment opportunities for workers in the South Central Kentucky Region.

Whereas, the relocation of the U. S. Postal Service Processing and Distribution Center would reduce employment options for employees in the Bowling Green area and adversely affect the local economy.

Whereas, a priority of the Bowling Green Area Chamber of Commerce is affording businesses and citizens of the South Central Kentucky Region with responsive business services including prompt mail delivery.

Now, Therefore, Be It Resolved:

That the Bowling Green Area Chamber of Commerce strongly supports retention of the U. S. Postal Service Mail Processing and Distribution Center in Bowling Green, Kentucky to further employment opportunities, economic stability, and prompt mail delivery for businesses and citizens in the South Central Kentucky Region.
