FAQ ABOUT BGYP

HOW DO I GET INVOLVED?

Check your inbox - we send stand-alone emails monthly eNews to keep you updated with BGYP happenings.

WHAT IS A "YOUNG PROFESSIONAL"?

YPs are generally considered working adults between the ages of 21-40.

DO I NEED TO BE AN BG CHAMBER MEMBER TO ATTEND BGYP EVENTS?

No, but we encourage you and your company to help shape the business landscape of the Southcentral Kentucky region by becoming members of the Chamber. Membership in BGYP is separate from Chamber membership. BGYP is a program of the Bowling Green Area Chamber of Commerce and wants to support the growth and development of our area's young talented workforce, but Chamber membership is NOT required.

IS THERE A FEE TO ATTEND EVENTS, AND CAN I BRING A GUEST?

With the exception of special events (i.e sporting events, conventions) all YP programming is free for BGYP members. Have a friend that is interested? Prospective are welcomed to attend one YP Social or Quarterly Meeting before deciding to join.

To contact BGYP, please call Alli Montgomery at the Bowling Green Area Chamber of Commerce at 270-901-4604 or email alli@bgchamber.com.
