# 2026 Sponsorship Opportunities

## Build Your Brand, Strengthen Our Region

Look ahead to a future where businesses thrive and communities flourish side by side. Our economic development team works tirelessly to attract new investment and support the growth of existing companies. But we know that building a business isn't just about capital and strategy — it's about people. Your employees, customers, neighbors, and partners are the heartbeat of this region. Long-term success requires more than commercial results; it calls for a healthy, connected, and resilient community where opportunity reaches everyone.

That's why, beyond recruiting and expanding industry, we focus on creating an environment where business and community strengthen one another. Through our signature events, we bring together the people who make this growth possible — from women shaping the future of leadership to targeted businesses driving innovation, from technology companies fueling transformation to students and young professionals preparing to lead, as well as educators and workforce development experts who help shape the talent pipeline.

Every sponsorship you invest in helps accelerate this shared progress. Together, we celebrate achievement, spark collaboration, and build the relationships that keep South Central Kentucky competitive and vibrant. That vision drives the Bowling Green Area Chamber of Commerce every day.

Thank you for partnering with us to build not only your brand, but also a thriving region we can all call home.

### TERMS: NET 30

Spoken promises are difficult to enforce. Please ask your sales consultant to put all verbal agreements in writing, such as editorial inclusion, special placement, photographic considerations and special payment considerations.

I understand that it is my responsibility to provide all necessary information and artwork to complete my advertisement no later than 01/14/26.

I further agree that failure to comply by this date does not indemnify me or my organization from payments indicated in this agreement. I authorize the Bowling Green Area Chamber of Commerce to design and print an advertisement of their choosing "as is" in the absence of my information and/or guidance. It is not the responsibility or obligation of the Chamber to contact me in order to procure information or advertisement approval should I fail to comply with the above.

TERMS-PLEASE READ CAREFULLY Any balance payable prior to the press date of publication. Advertiser space reservation is accepted on good faith, and regardless of any deposits or prepayments. It is understood that the Advertiser is responsible for all charges stated herein associated with this agreement. A service charge of one and one-half (1.5) percent per month or eighteen (18) percent annually is charged on all past due accounts. Agency commission discounts are not permissible. Proof of ads, listings, and/or locators standing unapproved at press time will run on an "as-is" best effort basis. Untimely accounts will be immediately referred for collection. It is understood that this contract obligates the Advertiser to provide necessary direction and/or ad resources to the Publisher by the date specified above. Failure to do so may result in the Publisher running a representative ad based on the best information available at the time of the press run. In the event that this occurs, Advertisers understand that, though the Publisher may not possess a signed proof approval, the Advertiser will still be responsible for payment of the full rate stated herein. Advertiser represents and warrants that publication of any text, images, or other material provided by the Advertiser to the Publisher will not infringe upon any person's copyright or other rights, including but not limited to rights of privacy and rights relative to defamation, and that the Advertiser has obtained all model releases and waivers of rights which may be necessary. Advertiser agrees to indemnify and hold the Publisher harmless in the event of any breach of these representations. Proof requests beyond the second revision will be charged \$75. Advertiser agrees to cooperate in the defense of any legal action which may be brought against the Publisher arising from the publication of such materials. The Advertiser grants the Publisher the right to store and distribute such materials in print or electronic form, including on the web, to use these materials as published in context for advertising and promotion, to reduce the work in reprints and the right to grant these rights to others. Advertiser agrees to pay any and all collection costs and attorney's fees in the event of payment default. This contract and its conditions shall be binding on both parties and cannot be amended or superseded without the written consent of both parties. In the event that the Advertiser chooses monthly billing for online advertising, it is hereby understood that payment will be made no later than 60 days following the 30-day increment for the advertising was purchased. If payment is not received within this 60-day window, then it is understood that online advertising may, at the discretion of the publisher, be terminated immediately. Advertiser further agrees that cancellation by default is not acceptable according to the terms of the agreement, which specifies that the minimum increment of online advertising is 12 months. If termination interferes with a continuous 12-month online presence, the advertiser shall be entitled to aggregate 12-month presence upon resumption of payment according to terms. Upon execution, this contract is valid and not subject to cancellation or revocation by the advertiser under any circumstances. All conditions are stated herein.
